Art Around Town is a collaboration between the YMCA, the Fitton Center for Creative Arts and Pyramid Hill Sculpture Park & Museum. Children ages 7 to 12 years may register to attend a camp that combines exciting arts experiences with physical activities, both indoors and outdoors in this full-day camp!

Participants will be introduced to art instruction including drawing, painting, sculpture and building, using new and recycled materials to create, and see nature as an artist views it. Throughout the day, YMCA staff will lead energizing physical games and activities. Daily drop-off/pick-up location is the Fitton Family YMCA; transportation to other locations is provided.

Each camp is offered Monday-Friday 9am-4pm. Before & After camp care is available on a limited basis at the Fitton Family YMCA.

Registration for these camps opens on April 3rd.

To register, please contact the Fitton Center for Creative Arts by calling 513-863-8873 or visit [www.fittoncenter.org](http://www.fittoncenter.org).
